- UL certified, tested according to LINK Performance class D.
- Up to 300 MHz, shielded and unshielded types available.
- Incl. hood color gray, suitable for CAT 6.

| A-MO6 8/8 SR | 8P8C, Unshielded |
|---------------|------------------|
| A-MO6 8/8 SRS | 8P8C. Shielded |

CAT 6 Modular Couplers

- 2 x RJ-45 female.
- · Shilded version.
- Tested according to LINK Performance class D, cable length max. 2 x 30m.

AT-AG6 8/8 8P8C, CAT 6 AT-AG6 8/8CROSS 8P8C, CAT 6, Crossover

Modular Plugs for Flat Cable

Various designs, shielded and unshielded types available.

| A-MO 4/4 SF | RJ-11 4P4C, Unshielded |
|--------------|-----------------------------|
| A-MO 6/4 SF | RJ-12 6P4C, Unshielded |
| A-MO 6/6 SF | RJ-12 6P6C, Unshielded |
| A-MO 8/8 SF | RJ-45 8P8C, Unshielded |
| A-MO 8/8 SFS | RJ-45 8P8C, Shielded, CAT5e |

CAT 6 "Hirose" Modular Plug

- Fully shielded with strain relief and kink protection boot (black).
- UL certified, tested according to LINK Performance class D.
- Up to 300 MHz, suitable for CAT 6.

| A-MO6 8/8 HRS | CAT 6, incl. Comb and Boo |
|---------------|---------------------------|
| | |

Modular Coupler

2 x RJ female, assignment 1:1, unshielded and shielded CAT 5e, and "Crossover".

| AT-A 6/6 | 6P6C |
|----------------|-------------------------|
| AT-A 8/8 | 8P8C |
| AT-AG 8/8 | 8P8C, CAT 5e |
| AT-AA 6/6 | 6P6C, Crossover |
| AT-AG 8/8CROSS | 8P8C, CAT 5e, Crossover |

Modular Couplers, Shielded

Three RJ45 female, 8P8C, CAT 5e, available in unshielded and double shielded versions.

| AT-AG 2x8/8 | 3 x RJ45 Female, Double Shielded |
|-------------|----------------------------------|
| AT-AT 8/8 | 3 x RJ45 Female, Unshielded |
