## To all our customers

### Declaration for REACH and RoHS

Ladies and Gentlemen,

Regarding REACH, we want to inform you that for cable manufacturers of VO 1907/2006 (REACH) there is no obligation arising because

- 1.) It is a ready product.
- 2.) No release can be expected under normal conditions of use.
- 3.) The monomers are firmly enclosed in the polymers.

Based on confirmations from our suppliers we can confirm, our products do not contain substances above the permitted weight percentage listed in Annex XIV and Annex XVII of Reach.

With reference to the current SVHC list (as of 21 January 2025), we hereby inform you that our products do not contain any of the listed substances above the maximum permissible limit and that they also comply with the POP Regulation EU 2019/1021 Annex I and III.

Moreover, we confirm the conformity of our products according to the EU guideline 2015/863/EU (RoHS III) and the 2011/65/EU (RoHS guideline).

Additionally, we want to point out that the existence of possible contaminations in traces of these substances cannot be excluded. We are not leading through research on the existence of substances listed in the guidelines. We refer to the statements of our raw material suppliers.

We hope to have you supported with this information and remain.

Best regards,

KLASING Kabel GmbH
